

# RESEARCH SYMPOSIUM SECONDARY SCHOOL COMPETITION 2026

HOSTED BY SCAHK

Deadline of Interest: April 20<sup>th</sup>, 2026

Poster Submission Deadline: June 7<sup>th</sup>, 2026

The Research Symposium is intended for students who wish to explore a specific cardiovascular topic or research question in greater depth. You are invited to prepare an academic-style poster on a cardiovascular-related issue of your choice, and present your work at the symposium. Possible topics may include cardiovascular diseases, risk factors, prevention strategies, emerging treatments, public health challenges, or misconceptions in cardiovascular medicine.

## Eligibility

- Secondary 2–5 students (Year 9–12 / Grade 8–11)

## Competition Format and Participation

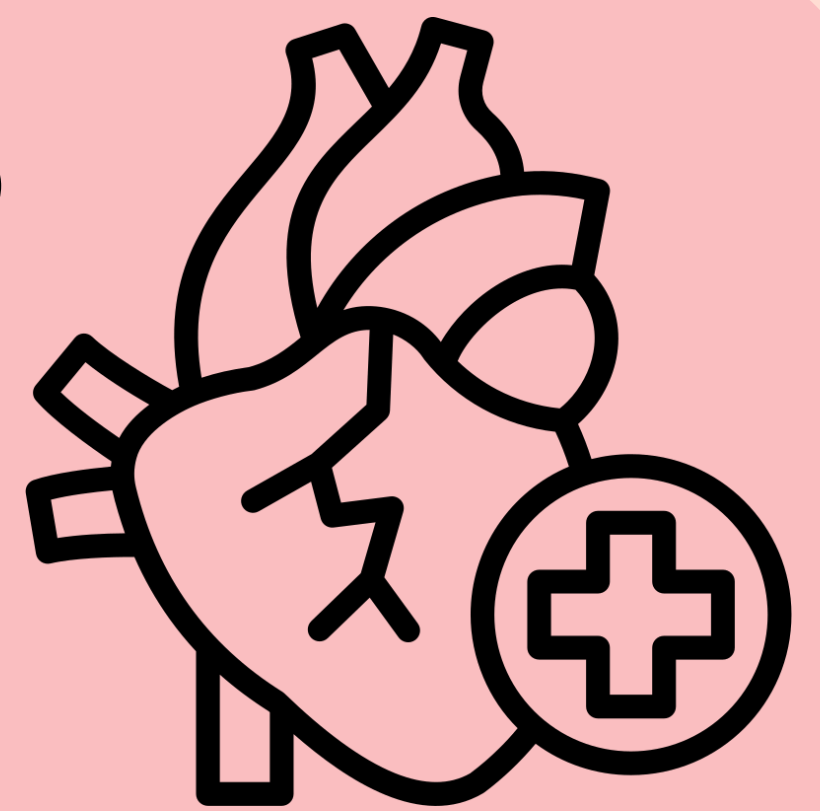

- Online, with in-person presentation.
- Please fill in the registration form attached.

## Judging Panel

- Cardiologists and medical students

## Recognition

- Winning submissions will be featured on HKU & CUHK campuses & official SCAHK Instagram.
- Certificates for all participants.

Looking forward to seeing your submissions!!!
