

# COVID-19 RELIEF PROGRAM

The Charity Committee

## CARE India

- CARE is a not-for-profit organisation working in India for 70 years, focusing on alleviating poverty and social injustice. Our overall goal is the empowerment of women and girls from poor and marginalised communities leading to improvement in their lives and livelihoods.
- Provides PPE to medical workers

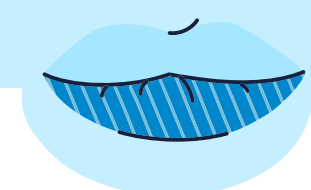

## Indian Red Cross Society

- Part of the International Red Cross Society
- Has been distributing medical equipment (e.g. ventilators, oxygen concentrators) as well as giving vaccine doses.

## OxygenForIndia

- It's goal is to ensure that lifesaving oxygen is effectively distributed across India to those who need it.
- Has been supported by international organizations and businesses, and is run by the Centre for Disease Dynamics, Economics and Policy - a Washington DC and New Delhi based public health research organization

## Doctors For You

- Doctors for You was founded in India in 2007, by doctors, medical students and like-minded people with a vision of "Health for all." Currently, DFY is working on various projects in different states of India involving health professional, Disaster Management Practitioners, Social Workers and Administrative Staff.
