

KING GEORGE V
SCHOOL

September 10th, 2023

Dear Parents and Guardians,

Welcome to School Year 2023-2024 and welcome to the PTSA at King George V School!

The PTSA at King George V School exists for the benefit of all students, teachers, and parents. Our primary mission is to create a strong sense of community and belonging among students, teachers, and parents. As an independent association, we work closely with the school management team to foster communication and collaboration between home and school.

Our goal is to bring together all stakeholders in KGV to create the best possible environment and learning experience for our students. We go above and beyond by involving students in our association, which allows us to have a more comprehensive and well-rounded perspective on the needs and aspirations of our school community.

To support our initiatives and provide valuable resources, we kindly ask all families to contribute an annual PTSA fee. The fee is **HK\$200 per family**. We deeply appreciate your contribution, and in return, we will organise a variety of activities to enhance the parent life at KGV.

An e-payment invoice will be sent to you, and upon payment, your child/children will receive their KGV student ID card in November. The KGV student ID card provides exclusive discounts at a wide range of retail outlets, adding extra value to your membership and enhancing your experience within the KGV community.

We are pleased to announce that PTSA will be hosting, in collaboration with the school and students, a Christmas Bazaar featuring a fantastic outdoor concert complemented by vendor/student stalls and a food court in early December. Additionally, we will organise a variety of activities that cater to different parents' interests and needs. These include our regular parent education workshops as well as social, cultural, and charity events that bring our community closer together, for example, the brand new Year Level Parents Socials and Parent Book Club. We encourage your active involvement by joining the PTSA Committee and engaging in the activities, workshops and forums, be it online or in person, throughout the school year. Upcoming events will be announced in the newsletter, parent bulletin, and WhatsApp groups. We will also call on parent volunteers to help out at events, please look out for our updates and notices.

We believe that your input is invaluable in shaping the direction of our association and strengthening our school community. Our parent body consists of resourceful individuals who offer unwavering support and serve as inspiring role models. We wholeheartedly invite you to become a valued member of our community by sharing your unique ideas and

valuable skills. Feel free to email us at ptsa@kgv.edu.hk to get involved or for enquiries. Your contributions will be greatly appreciated and cherished.

On behalf of the PTSA Committee, we invite you to join the KGV PTSA and work with us! Together, we can create an exceptional learning environment. Together we can ensure the success and well-being of our students. Together we can support each other, and together, we can make KGV a remarkable place to be.

Warm Regards,
