Why School Bus Safety Matters

School buses transport thousands of HK students daily.

- ★ Safety is the top priority for KGV and our bus drivers
- ★ Proper behaviour ensures a safe ride for everyone
- ★ Understanding safety rules helps prevent accidents
- ★ Being prepared can save lives in emergencies

Why School Bus Safety Matters

The data tells us there have been bus accidents in Hong Kong.

If we are not safe on the bus, the bus company is within their rights to stop us using their bus.

TRAFFIC REPORT 2023

Why School Bus Safety Matters

Today we will also cover:

- ★ How to be an upstander on the bus
- ★ Safety for self - what to do if someone is being unpleasant towards you on the bus.
- ★ Safety for others - what to do if someone is being unpleasant towards someone else on the bus.

Here's our KGV commitment: We are 'School Bus Safe' @ KGV

We are 'School Bus Safe' @ KGV

We put safety first:

We are safe while boarding, riding, and exiting the bus.

We stay seated with seat belts on and keep aisles clear.

We get on the bus in the appropriate place at the appropriate time

We follow instructions:

We listen to the bus driver and supervisors, following their instructions at all times.

We are mindful of personal space:

We respect each other's personal space and avoid any physical altercations or pushing.

It is not your seat!

We are 'School Bus Safe' @ KGV

We have respect for others:

We put our bags on our lap or the floor, not on the seats

We encourage respectful behavior towards fellow students and the bus driver by greeting each other and the driver

We use kind words, avoiding disruptive behavior, and keep our noise levels down.

We use indoor voices to avoid distracting the driver.

We are 'School Bus Safe' @ KGV

We keep the Bus Clean:

We refrain from Eating or Drinking

We keep the bus clean as it is everyone's responsibility.

We don't throw objects inside or outside the bus

We take our belongings with us

Report Issues:

We are upstanders if we see or experience bullying or unsafe behaviour.

We report these issues to an adult such as our tutor or our parents.

We are 'School Bus Safe' @ KGV

Technology and Bus Safety

- ★ Stay alert to your surroundings
- ★ Keep phones on silent to avoid distracting the driver
- ★ Never take photos or videos of others without permission
- ★ Use devices responsibly and follow school policies
- ★ Remember: your safety is more important than your devices

We are 'School Bus Safe' @ KGV

Emergency Preparedness

- ★ Know the location of emergency exits
- ★ In an emergency, stay calm, sit still and follow driver instructions. They are trained.
- ★ Help younger students if it's safe to do so
- ★ If it's safe to leave the bus, go to a safe place as instructed.
- ★ Stay with the group.
